Brief Description Of Services :

<http://www.wyomingcares.org/>

Services are provided throughout Wyoming for medical and non-medical needs.

Services are provided for infants, children, youth, adults and seniors.

Services are provided for needs not addressed by other community programs.

Services are provided for residents of Wyoming, including middle-income residents.

To be eligible for assistance from Wyoming Cares, you must be a United States citizen and a Wyoming resident. A Wyoming resident is defined as a person living in Wyoming for at least six months. An application is required for assistance. All applications must have a professional referral. An application can be obtained by calling Wyoming Cares. Once completed, the application is reviewed by the Professional Review Committee on a monthly basis. Wyoming Cares does not provide case management services. All correspondence is directed to the referring professional.
